Template Requirements

Please ensure that the hob, taps and other fittings are onsite at the time of template.
Please send sinks to our factory prior to template or have onsite at template. We also kindly ask that the bench area is cleared prior to our arrival.

Please read and sign

- I am aware that only 2 site visits (1 template, 1 install) have been allowed for.
- I am aware that sheets/slabs may show off colour particulate (black specs of white stone) and irregular aggregate distribution.
- I acknowledge it is my responsibility to inform my client of these and that if I choose, view with my client the full sheet/slab before works proceed.
- I have allowed for easy access for installation and I understand that crane hire is additional.
- I understand that this represents an official order and job confirmation.
